Black Republican PAC

Started in just 2008, Black Republican PAC (BRPAC) has quickly thrust itself into the national spotlight! Its biggest quest is the group's national efforts to help defeat Barack Obama -- and through the tireless work of its Executive Director - Edward Cousar - they will claim victory! Edward Cousar and Black Republican PAC have also donated valuable time and resources to help like-minded Black Conservative Candidates get elected to national office. The donors to this PAC are extremely pro-life, pro-2nd amendment, and 100% ANTI-OBAMA!
