Border Agents Defense Fund

The Border Agents Defense Fund, a special project of the Liberty Committee, was established in 2008 to provide financial assistance to the defense fund of the border agents Jose Compean and Ignacio Ramos. These brave and dedicated border agents were wrongly accused and incarcerated. While this group is fully dedicated to supporting our border agents, they're also lobbying Congress on legislation that secures our borders and keeps all illegal aliens out of the United States.

This file is a must test for all Anti-Illegal Immigration, Border Security, and American Sovereignty mailers!!!
