Keith Butler for U.S. Senate

Keith Butler, an African American Bishop from Michigan, ran against Mike Bouchard for the Republican nomination to unseat liberal democrat Debbie Stabenow. His campaign was run on a platform of lower taxes, stronger family values through faith initiatives, and no amnesty for illegal aliens. These donors are very religious and conservative. This is a must test for all Republican candidates, non-profits and religious appeals.

This is a nationwide list of conservative donors.
