Citizens Committee to Defeat Hillary Clinton

The name should say it all! Citizens Committee to Defeat Hillary Clinton, a project of SaveNYPAC, was formed in 2004 to help raise money to defeat Hillary Clinton as she runs for her 2006 U.S. Senate re-election campaign. Run by ultra-conservative Michael Benjamin, CCDHC has been bringing to light the fact that her 2006 U.S. Senate re-election campaign is merely a steppingstone for her true motivational goal, capturing The White House. These donors are extremely generous and motivated to donate. Average gift on this file is \$25.00!
