Freedom's Defense Fund

Through generous donations and support, this conservative Republican PAC helps get like-minded candidates elected to office. FDF has donated to candidates that are **100% Pro-Life** -- committed to securing our borders to make our country safe, keeping our taxes low and our government small! Freedom's Defense Fund has fought against DC Statehood -- petitioned our Congress to remove the U.S. from the U.N., and has battled the liberal left's agenda from changing the moral fabric of our great country! This PAC is going to be a major player in the 2008 election cycle! Please contact Beau today about special pricing and selects!!
