Frontiers of Freedom

Frontiers of Freedom Institute (“FOF”) was founded in 1994 by U.S. Senator Malcolm Wallop. FOF is an educational institute (or think tank) whose mission is to promote conservative public policy initiatives that include limiting the size of the Federal Government, a strong national defense, and a preserved faith in the Judeo-Christian values that America was built upon.

Donors to this group have contributed to mailings defending the Constitution from the liberal arms of the ACLU and making permanent Bush’s Tax Cuts---including the Inheritance (Death) Tax.
