Jim Ryun for Congress

Former Olympian and Republican Congressman Jim Ryun is running for Congress in Kansas' 2nd District against Democratic seat holder Nancy Boyda. Congressman Ryun lost a hard fought battle in 2006 to Boyda and is looking to re-claim his old seat. Tired of the ultra-liberalism being represented in Kansas' 2nd district, Congressman Ryun looks to return the core conservative values to his once cherished district. These values include but are not limited to; lowering taxes to boost the economy, supporting legislation that will solve our illegal alien issues, and fully funding our military to make America a safer country.
