# Allen West for Congress

Retired U.S. Army Lieutenant Colonel Allen West ran for Congress successfully in 2010, defeating incumbent Ron Klein to take Florida's 22<sup>nd</sup> Congressional District. With his victory, Allen became the first African-American Republican elected to Congress since J.C. Watts retired in 2003. With his decorated military background, Allen sought to strengthen our national defense and military along with completely demolishing the socialist agenda of President Barack Obama. Donors to this file are hardcore Conservatives and Tea Party supporters that understand Allen will fight for every aspect of our Constitution! This file would make a great test for Conservative Candidates, PAC's, Veteran's Groups, Military Groups or any general Conservative appeal!
