# Annette Bosworth for Senate

Dr. Annette Bosworth ran for Senate in South Dakota during the 2014 election cycle. By providing medical services through her private practice, “Dr. Boz” fully understood the importance of a limited government and the complete repeal of Obamacare. In addition to her strong belief in faith and family, Dr. Boz was a staunch defender of the Constitution and Bill of Rights. She was intent on holding big government accountable for such Obama scandals as Benghazi, Fast and Furious, and the IRS cover-up. This file would make a great test for all Conservative Candidates, PAC’s and conservative appeals!
