

Southeastern Legal Foundation

The Southeastern Legal Foundation has spent the last 30 years fighting for limited government, economic freedom and the free enterprise system for all Americans in both a court of law and public opinion. SLF's mission is to engage in litigation and public policy advocacy in support of principles that conservatives hold dear. Whether they're battling the ACLU on keeping marriage between a man and woman - defending homeowners against the government's abuse of power in eminent domain cases - or disbaring President Biden - Southeastern Legal Foundation has always been at the forefront for protecting our Constitutional rights.
