

United American Patriots

United American Patriots (UAP) is a non-profit organization designated under 501(c)(3), whose “Warrior Fund” mission is to provide resources to service members accused of crime in combat: The idea being volunteers who serve in harm’s way to protect the American way of life, deserve the most pristine of trials – especially every constitutional right they have served to protect. UAP’s goal is to generate contributions for each service member and use those funds for attorneys’ fees, court costs, family members travel expenses. UAP funds reintegration efforts like vocational training, psychological counseling, and offers stipends for housing and other necessities. UAP generates funding by positive public awareness and support for our Nation’s Warriors, their Constitutional Rights, and their families via public speaking engagements, presentations, and panel discussions; interactions with Senators/Congressmen, and staff on Capitol Hill; messaging via social media; and crafting & distributing letters, press releases/info graphics.
