

Mutts With A Mission

Launched in 2008 by founder Brooke Corson, Mutts with a Mission provides highly skilled service dogs to veterans by utilizing "unwanted" dogs from shelters and rescues. They are a non-profit organization that trains the veteran or wounded warrior along with their dog to become a "service dog team" in order to return the independence they sacrificed by serving our country. In addition to creating service dog teams, Mutts with a Mission works tirelessly to combat the 22 veteran suicides a day, one dog at a time. This file would make a great test for any charitable, animal, veteran, or non-profit appeal!
