

National Center for Police Defense

The National Center for Police Defense is an official 501(c)(3) non-profit organization, dedicated to protecting hero police officers in their desperate times of need. NCPD provides financial support and helpful resources to officers who have experienced an unfortunate on-duty catastrophe in the field. These officers have put their lives on the line, performing their duty exactly the way they were trained, only to be prosecuted as criminals. NCPD is the only organization that will fight the justice system, who have sadly turned their back on those sworn to protect it. The overall goal for NCPD is to provide a safety net of financial assistance, and other helpful support for police officers so they never feel casted out. NCPD appeals to donors who show strong support for police officers and law enforcement.
